

KPOA – PRIVATE GOLF CART RULES and SAFETY PRECAUTIONS

Private golf carts may be driven on all Kenmure roads, maintained by Kenmure Property Owners' Association (KPOA), but **must** adhere to all the driving rules in Kenmure. You are permitted to drive your private golf cart on Kenmure Enterprises property ONLY if you are a Kenmure Country Club Member (KCC). If you are a "golfing member" of KCC you can drive your personal golf cart on the Kenmure golf course, as long as you have signed the KCC Trail Fee Indemnity Agreement (attached).

KPOA requires all owners of golf carts to review the following safety precautions and rules of the road. Once you have reviewed and signed this form, acknowledging acceptance, you will be issued a 'golf cart sticker', that must be applied to the lower left part of the golf cart windshield. If you are part of the KCC Trail Fee Program, you will also need to sign this form as well. You will be billed the current trail fee monthly rate as long as you remain in this program.

1. Drivers must be a licensed driver.
2. Never drive recklessly or joy ride. Drive courteously. Obey all vehicle traffic laws and rules of the road, including stop signs and lane assignments.
3. Never drive intoxicated or under the influence of any drug or narcotic.
4. Avoid distractions while operating the golf cart just as you would in an automobile. Be safe and attentive -- avoid using the mobile phone (calls or texting), reading, reaching for objects, or attending to personal appearance.
5. Only carry the number of occupants for which the cart was designed.
6. Side-view mirrors are strongly encouraged.
7. Drivers and all passengers should keep all body parts (arms, legs, feet) inside cart while vehicle is in motion, except when signaling a turn.
8. Do not allow anyone to ride standing in the vehicle or on the back platform of the vehicle. Do not put vehicle in motion until all passengers are safely seated inside vehicle.
9. Operate the vehicle from the driver's side only.
10. If your cart does not have turn signals, then use hand signals to indicate your intent to turn. You may also use hand signals due to the small size and limited visibility of the turn signals on a golf cart.
11. Check blind spots before turning. When making a left-hand turn, yield to the through traffic before turning left.
12. Carefully turn and look behind golf cart before backing up.
13. Avoid sharp turns at maximum speed, and drive straight up and down slopes to reduce the risk of passenger ejections and/or rollover. Avoid excessive speed, sudden starts, stops and fast turns.
14. Reduce speed due to driving conditions, especially hills or other inclines or declines, blind corners, intersections, pedestrians and inclement weather.
15. Avoid (or drive slowly) on wet conditions, especially on wet leaves.
16. Make sure the parking brake is engaged when leaving the vehicle.
17. Always yield to pedestrians and be cognizant of motor vehicles. If a car is approaching from behind, where possible, pull to the side (or right-of-way) and signal for them to pass you.
18. Use extreme caution in inclement weather. Although a golf cart may shield you from the rain, it may not protect you from lightning strikes.
19. To operate at night or before sunrise your golf cart must be equipped with head lights and brake lights. Headlights should be used 20 minutes before sunset and 20 minutes after sunrise.

I, for myself, my heirs, executors, administrators, agents and assigns do hereby release and discharge the Kenmure Property Owners Association (KPOA) and Kenmure Country Club (KCC) from all claims or liabilities arising out of my operation of a golf cart on Kenmure roads and/or Kenmure Country Club property. I hereby agree to defend and indemnify and hold harmless KPOA and KCC and their directors, officers, employees and agent from and against all allegations, claims, actions, suits, demands, damages, liabilities, obligations, losses, settlements, judgments, costs and expenses (including attorneys' fees and costs) which arise out of, or relate to, death or injury or loss of, or damage to, real and personal property arising out of the operation of a golf cart on Kenmure roads and/or KCC property.
